CASMO Track System

FLOAT-MAXX[®] SPREADER

EFFORTLESSLY GLIDE ACROSS EVERY FIELD.

Worried about ground pressure in your fields? Well don't be!

The JBS Float-Maxx spreader has you covered; with only 11lbs per square inch of ground pressure. JBS Float-Maxx Manure Spreader has the lightest footprint of any manure spreader of its size.

Instead of having only 6 wheels, the JBS Float-Maxx has over 30ft of track on the ground at all times so you have be in the field even in the worst conditions.

The JBS Float-Maxx Manure Spreader has a massive carrying capacity of up to 110,000lbs.
