BEDDING FLINGER™

POWERFUL YET FLEXIBLE PERFORMANCE

The **NEWLY REDESIGNED** JBS Bedding Flinger can bed with sand, sawdust, or green bedding. The Pull-Type Bedding Flinger comes standard with a heavy-duty 88K chain, hydraulic front door to meter sand flow and high-torque motor for increased power and reliability.

It is equipped with a heavy-duty belt that offers users a bi-directional belt function making the bedding flinger ideal for use in alleyways and barn aisles. The Bedding Flinger is available in two sizes to meet your farm's needs.
